SECURITY PROTECTION

Safety of Communities

Protecting the citizen of our communities and the American people from Criminal acts and terrorist threats is our founding principle and our highest priority. The Soldiers Security Protection's counter measures responsibilities focus on three goals:

1. Prevention of criminal and terrorist acts and threats
2. Prevent the unauthorized acquisition, importation, movement, or use of harmful materials and capabilities within the the communities and United States; and
3. Reduce the criminal activity of critical infrastructure to ensure safety of the communities

In turn, these three key concepts drive Soldiers Security Protection Inc, to improve in their training, professionalism and education in Security and Laws to ensure they are trained and proficient in their task at hand. Soldiers Security Protection Inc, strives to ensure the communities not only in Colorado but all future locations that we are experts trained and proficient at their security task and drills.

Provide Knowledge to the Public on Laws

Soldiers Security Protection strives to provide knowledge on the laws to the communities and its clients, by doing so it ensures the communities and the clients that we want to ensure they understand and are aware of what they are governed under. Working with the communities and clients on risk management plans to ensure they understand the safety and security of their residents, customers and visitors. With laws changing and new laws being signed, we understand that the communities and clients can not keep up to par with them. So we ensure that its our job to enforce, Secure and protect the communities and clients and provide the knowledge that is needed to ensure safety on their end. Focusing on these goals we all can achieve them.

- Constant updates on Local, State and Federal Laws
- Keeping the communities and clients always informed
- Providing constant awareness on crimes occurring
